SEO SERVICES

SEO (Search engine optimization) is the process of affective the visibility of a website or a web page in a search engines. SEO may target different kinds of search, including image search, local search, video search, academic search, news search, and industry-specific vertical search engines (like Google). SEO considers how search engines work, what people search for, the actual search terms or keywords typed into search engines and which search engines are preferred by their targeted audience. In this service school will provide a KEYWORD (eg:-school management system) to the company then it will optimized in the Google by the company so when someone use that KEYWORD to search then it will directly show school website on the first page in Google. Search engine optimization is a professional link that improves your website search engine ranked. Per KEYWORD charges apply.

Service Charge:- As you can see company cost rate is Rs 100/keyword/ month (Min. Five keywords for 1 year)
